7 Steps to Get C Free!

1. **Sign up!**
   We invite your company to register for the campaign. HR personnel can get in touch with us at 044-25125000 or info@yrccare.org.

2. **Clinics to Campus**
   We will organize a health education session by our doctors for your staff. Every doubt that is cleared is one step closer to a Hepatitis C free Chennai.

3. **It’s a date!**
   We can sync our logistics to suit your convenience. So pick a day and time for collection of blood samples.

4. **Restricted Access**
   Results will be handed over to the HR personnel in sealed envelopes.

5. **Prime Time**
   Those who test positive can be referred to YRC for treatment and counselling.

6. **Made-To-Measure**
   We stage the disease and customize the treatment.

7. **Recheck**
   12 weeks after completion of treatment, we will recheck for HCV RNA. Once all your employees have been tested and cleared, you will be certified.
